This case has been held in abeyance because the criminal case against Michelle Dague continues.

As previously reported, the Alaska Supreme Court , in case S-12453, denied the petition to appeal last year's decision of the Alaska Court of Appeals which remanded the case to the superior court to allow the parties to litigate proposed aggravating factor AS 12.55.155(c)(5) before Ms. Dague is sentenced for manslaughter. The retrial of the aggravating factor is currently scheduled to be tried starting July 9, 2007.

Accordingly, counsel for defendant suggests that the stay in the present civil case should continue and that the parties provide this Court with an additional status report on or before August 15, 2007.

Respectfully submitted, this 28th of June, 2007.
